## Other PlyVeneer™ Applications

- Replacement for Pallet Decks
- Protective Cover Sheets
- Agricultural Packaging
- Freight Car Lining

## AAR Approved

### Complies With All USDA APHIS Export Requirements

Place PlyVeneer™ Drum Separator Sheets between drums in the shipping process and eliminate drum-to-drum contact and scratching. Your customer will receive a product that looks new and intact. With its lightweight, cut-to-size features PlyVeneer™ Drum Separator Sheets not only reduce shipping costs but reduce storage issues as well.

Made of wood veneer with Kraft paper overlay, PlyVeneer™ Drum Separator Sheets are strong enough to do the job but lighter than plywood. Whether the material is routed and folded or used to protect items in shipment, PlyVeneer™ performs.
